If you want to see the maximum size with the clear lines from the sketch, print it at least at a size of 210 X 280 mm, or larger, without the clear background for better results. Available sizes: 54 X 40 mm 38 X 36 mm 22 X 20 mm You can then reduce the size by hand, then set the margins, or use the colour-grading system with the help of the General Description tab. Additional printing will always lead to cropping of the art, see the General Description tab. Available colours: Black, Black and White, Red, Red and White, Yellow and White.
