... .. I would like to find something that always calls. Why people don't care. Why flowers bloom without snow. From which ice is reflected in the sky. I would like to sleep in silence in the snow. In the depths of the looking glass, where there is no one. Where you can not be found, not taken away, not stolen. Where there is no pain, there will be no fear from us. Where love is only one, not thousands of feelings. Where we do not need to lie, or beg for something. Where everything is simple and clear, I know. There we will be with you There are two of us.
