"Like no other football experience, we've harnessed the benefit of the best in technical data to make for the most realistic team and player movements we've ever created for FIFA," said Domenico Tedeschi, VP of Electronic Arts. "The combination of the real player behaviour coupled with the way we've applied physics to all facets of the game, means that players are now reacting on a deeper level to the fluidity of real football; whether it's tackling, passing or shooting." Key features of HyperMotion Technology include: Post-Match Data - Take your team through a full-length game of FIFA, capturing all the nuanced and intricate subtleties of real-life football - the way a skilled attacker drifts to create space, how a player steps out of a tackle, or the subtle difference in the timing of a player's defensive and offensive movement. - Take your team through a full-length game of FIFA, capturing all the nuanced and intricate subtleties of real-life football - the way a skilled attacker drifts to create space, how a player steps out of a tackle, or the subtle difference in the timing of a player's defensive and offensive movement. Player Tech - Explore and utilise the new Player Tech feature for the best player in real-life movement and behaviours, including the player's offside position and detectability to help support the way AI Footballers make decisions. You can also use player-specific attributes to create AI that fits your specific team. The new Player Tech feature also tracks and rewards players who excel in skill, tackle or long balls to re-align the game towards what really matters in football. Stay on top of all the action with an improved Ultimate Team mode. Bring the magic of the franchise into your very own management career with packs of players, managers, and superstars. Strengthen and evolve your team with members from across the globe. Enhanced Player Ratings - Players are now rated on four key attributes: Strength, Stamina, Technique, and Speed. Enhanced Player Performance visually shows the precise strength of each player's kick, dribble, and tackle; the advanced accuracy of their runs and passes; and the passion of their play. New Stadiums - Build your stadium and play in brand-new FIFA Ultimate Team-exclusive venues. Create a real and authentic experience in-game with authentic club crests, dynamic crowd reactions, all-new music and more. New Tactical Options - Creative players can use new Tactical Switching options. Throw in the new Run & Shoot option (run after the ball, shoot long range) to play the way they really want to, or try something new as a team: Narrow Shots (run, pass and shoot into a small portion of the goal) for fast-paced, skill-based soccer, Wide Shots (run and shoot from farther out than normal) for control-orientated play, or Long Balls (pass the ball long and deep) for a more direct approach. New interactive Effects, Offsides and Interception call lineups. Live Events - Live Events are short, multi-part modes that let you play an exceptional 'best of' tournament, challenge your friends to see who is the best in a league, or race to overcome obstacles in a short-ended tournament. PATCH NOTES: (11/7) - Enhanced Player Ratings - Players are now rated on four key attributes: Strength, Stamina, Technique, and Speed. Enhanced Player Performance visually shows the precise strength of each player's kick, dribble, and tackle; the advanced accuracy of their runs and passes; and the passion of their play. - NEW TAXI - Players now use the new Taxi feature to quickly advance the ball by placing an active player in the center of the pitch. To initiate the move, players select the "A" button, and then point in the direction they wish the ball to move. The active player will then be free to play a pass, dribble, tackle, and take on-ball-kicks. - NEW

Developed for both the Xbox One and PlayStation 4, FIFA delivers authentic football (soccer) gaming experience. "Developed for both" simply means that one console has been optimized for FIFA's home, while the other can be used to enjoy the game on the go. Teammate communication The latest version of EA SPORTS FIFA Player, which has enhanced team communication in FIFA, now sees players assisting each other with passing, shooting, and dribbling. Meanwhile, the updated player intelligence AI can now detect counter-attacks, ball movement, sprints and more. Improved passing and shooting controls and dynamics This year, FIFA has enhanced the way players control their ball with new shooting mechanics and improved AI. Players have greater control over how they move the ball and can utilize more realistic angled shots. Improved controls In FIFA, players can swipe across the touchscreen to power move or tackle. The new counters can be controlled with a flick of the thumb. Goal celebrations The Goalkeeper has been improved to better read the plays and intercept balls before they can reach the goal. FIFA 22 also features a new "sweep out" celebration, allowing players to crash the opposing goal with a large celebration. Single-player improvements EA SPORTS FIFA 22 for Xbox One will be the first of the latest-generation console games to support the Shared Experience mode, allowing players to play a full game with their friends in their favorite game modes while still sharing the online experience. FIFA Ultimate Team has been overhauled with all new AI and in-game tactics, while the Ultimate Manager mode has been expanded with new pages to manage multiple squads, Leagues and Country Teams. The full lineup of players, Stadiums, kits, and more has also been updated. Keep up to date with all the latest EA SPORTS™ FIFA news, including the latest game reveals, events and competitions and much more. On February 5, 2015, EA SPORTS announced the highly anticipated FIFA 19. Developed with the Xbox One and PlayStation 4 in mind, FIFA 19 offers unique enhancements, including the 'FIFA Ultimate Team', a revolutionary, all-new way to play the beautiful game. From the intelligent switching of player roles in the offensive third, to the highly advanced artificial intelligence in goalkeeping, FIFA 19 for Xbox One and PlayStation 4 players will enjoy a lifelike experience from match
